YOUR GLOBAL SOURCE OF PRE-OWNED VEHICLES

PURCHASING NEVER MADE EASIER

We integrate latest technology, human resources and 30 year expertise into our website **ibcauto.com** and our **IBC Auto mobile app** to ensure you get vehicles you want at prices you need from our global sources.

Our unique purchasing system has shipped almost a million vehicles worldwide making us a reliable supplier in the world's vehicle export industry.

A control room with multiple computer monitors and staff members working. The room is dimly lit, with the primary light source being the screens. Several large monitors are mounted on the wall, displaying various data and images. Staff members are seated at desks, each with multiple monitors. One person in the foreground is wearing a blue shirt with 'SPACE' on the back. The overall atmosphere is professional and focused on data analysis and monitoring.

ADVANCED TECHNOLOGY

You can pick and negotiate from hundreds of quality vehicles ready in our **stock** with details and photos available in our website so you know exactly what you are buying.

You can also bid on thousands of cars directly from over 100 live auctions held daily each week through IBC Auto website using our **iDIRECT** technology and our staff will inspect the vehicle for you on site to ensure you get what you bid on.

QUALITY CONTROL BY THOROUGH INSPECTIONS

All vehicles are inspected by us prior shipment with state-of-the-art equipment. Vehicle information and photos are uploaded on our system for customers' accurate appraisal of the vehicle they are buying.

Customized / market specific inspections are also provided including:

- ✓ ODOMETER INSPECTION
- ✓ HISTORY CHECK
- ✓ OWNERSHIP VERIFICATION
- ✓ MPI / NZTA
- ✓ PSI
- ✓ RWI
